

Mariner Cove Neighborhood News

President's Letter

I hope everyone is enjoying summer in Mariner Cove. Thanks to all of you who responded to our request in the winter newsletter to keep your membership active in 2019 - we now have 145 households that are active members of the Mariner Cove Neighborhood Association for the current year. Our goal for 2019 is get our membership back to at least 200 households by year-end (out of the 450 households in Mariner Cove). Please take a look at the membership roster enclosed with this newsletter and, if you haven't already, please consider supporting our neighborhood association through your paid membership.

Historically, we've had little difficulty meeting our goal of 200 households. In the five-year period from 2013-2017, our membership averaged approximately 228 households per year. Last year, however, only 185 Mariner Cove households signed up as paid members, putting us below 200 households for the first time in recent memory.

Your membership dues support our disaster response program, which directly benefits the safety and well-being of all residents of Mariner Cove. Your dues also allow us to provide social events year-round for all neighborhood residents (including our big Summer BBQ, now scheduled for Saturday, August 17). Your dues help us publish this newsletter, welcome new residents to the neighborhood, allow us to promote beautification projects within the neighborhood, let us stage and promote our annual Mariner Cove yard sale (that included a record number of households participating this year), and permit us to maintain liaison positions with both The Cove School and The Town of Corte Madera.

Annual membership dues are \$40 per household or \$20 for senior households. Remember that we are now using PayPal as a direct online payment method for MCNA memberships. You can use Paypal to send payments to mcna.membership@gmail.com or use the following shortcuts: paypal.me/MCNA/40 or paypal.me/MCNA/20. You can also just email Jason Gullion, our Membership Chair, at mcna.membership@gmail.com for more information on membership and payment options.

We've just completed our annual changing of the guard for the MCNA Board of Directors. Please see the complete list of Board members inside this newsletter. I'd like to welcome Florencia Castelanelli to the Board as our new Beautification Chair. I'd like to thank Susi Corvi, Charlie Lambert, and Greg Ullin, who are leaving the Board, for their excellent work on behalf of the MCNA in the past year. We currently have three open Board spots that we still hope to fill: Welcome Chair, Cove School Liaison, and Town Liaison. Please contact me or any other Board member if you have an interest in any of these positions.

Again, please take a look at our membership roster to see if your membership is current for 2019. Your support

will help us keep our neighborhood association strong and allow us to continue to provide the activities that help to make Mariner Cove such a great place to live.

See you at the Summer BBQ at Cove Park on Saturday, August 17, from 3:00 to 6:00 p.m.

Bill Kimball
whkimball@gmail.com

COME ONE, COME ALL TO.....

THE GREAT ANNUAL MCNA

SATURDAY, AUGUST 17 3 to 6pm.

Your NRG! (Neighborhood Response Group)

WHAT?!? NO WIFI? FOR THREE TO FIVE DAYS?!? YOU GOTTA BE KIDDING ME!

Mariner Cove residents are well aware of the dangers from major earthquakes and have prepared supplies to shelter in place when streets and power lines are down. After the wildfires, we have added preparation for evacuation to our disaster response lists. We have:

- Signed up all cell phones for Alertmarin.org to receive evacuation announcements
- Packed Grab and Go bags with the 10 Minute List attached...items to be added at the last minute like computer, phone, Grandma's jewelry
- Made family plans for two evacuation routes and two modes of transportation
- Kept our gas tanks full
- Paid attention to Red Flag Days when fire risk is heightened

Now - a new wrinkle. When (not if) PG&E turns off our power for 3-5 days, we need to be ready to respond as if this also is now classified as a disaster. Our immediate thought is spoiled food until we remember: garage doors; ATM machine; stop lights; respirators; pharmacies; electric car chargers; home alert systems; shut ins; meals on wheels.

Now that we have your attention.... we need you to make a family plan for power outages. If you are staying home, you can use your stored supplies for a shelter-in- place earthquake event. If you hope to evacuate to a town with power, you need to plan what to take and how to negotiate bumper-to-bumper traffic.

We recently learned that - with your doctor's approval - you can have your meds filled ahead of time so you can add them to your Grab and Go bag for wildfire or power outage evacuations.

In our Mariner Cove Neighborhood Response Group, we have asked our 53 Block Captains to check on the folks in their clusters who are medically dependent on power in the case of a long-term outage. Their job is not to help you keep food cold - their job is to help you plan ahead to find a way to keep your medical machines going. Marin General Hospital has generators that power only half the hospital and they cannot take in folks dependent on machines. So - this again is the responsibility of each of us to plan ahead so that all aspects of our daily lives that rely on power have been thought through.

Although our Mariner Cove Disaster Program is well established and effective, we encourage each of you to get to know your neighbors. Statistics show that most people who need help in a disaster are aided by their neighbors. This especially applies to an elderly neighbor who lives alone. Your Block Captains may not be available in a disaster and we neighbors will need to help one another.

Mariner Cove Neighborhood Association Committee Reports

NRG Continued...

Your Block Captains hard at work—

Congrats to Mary O'Malley of Morning Star and Shari Barrack of Foremast and Tradewind for winning the door prizes at the recent Block Captain parties. The party included new information for Block Captains about how to help residents in their clusters in the case of a 3-5 day power outage.

A Tidbit from your NRG

If you are one of the many individuals who have medicine that needs refrigeration, you may want to check out FRIO BAGS. These wonderful bags are soaked in water and keep medicine cold for 2 days....when they can be resoaked to start again. Anyone with insulin or other medications that need to be cold might look into these for the power outages. They can be found at REI, Target and on line and are not super expensive.

Infrastructure

Marin Municipal Water District

MMWD will be replacing the main (under the street) water lines on Pacific Queen and Flying Cloud in the next year. Because of settlement and age the main water lines are rupturing at an alarming frequency in Mariner Cove. This can sometimes cause local flooding of garages as well as possible damage from flying asphalt.

If you notice water seeping from the center of the street it usually means there is a water main leak and a rupture is likely to follow. Notify MMWD if you observe unexplained wet patches on the street. All water lines will eventually need to be replaced.

The other issue on Pacific Queen and Flying Cloud streets is no installed drainage outlets other than at the intersection at the ends of the streets and significant ponding in the winter. Public Works does not have enough money in the budget to correct the drainage problems on both streets that cause unacceptable ponding issues following heavy rains.

Slot drains which have corrected the problem on Seawolf and Prince Royal would cost over one million dollars so that will need to come in the future. Public Works does plan to regrade and repave those streets following the water line replacement and Director Peter Brown

Mariner Cove Neighborhood Association Committee Reports

believes that will significantly improve the ponding issue for many years.

Sidewalks

George Topor (a past president of MCNA) has been working with the Town administration and council members on a plan, for those homeowners that are interested, the Town would coordinate repair of the damaged sidewalks.

The sidewalks are the responsibility of the homeowner and are a liability if someone trips and is injured because of a broken sidewalk or one with elevation offsets. We hope to get more detailed information to you for your sidewalk repair options in the next few

months. So far our discussions with the Town have been going on for more than a year.

These problems are often related to trees in the median strip, particularly roots from liquid amber trees (an unfortunate choice for initial plantings when the community was developed). Mariner Cove resident Roy Wolford has proposed that liquid amber trees, that disrupt the sidewalk, could be declared by the town as "inappropriate and undesirable" trees for the community along with eucalyptus, acacia and Monterey pine.

This would allow the homeowner to remove the trees without having to pay for a permit or have an arborist report. This would not be a requirement but an option for the homeowner if they desire to remove a liquid amber tree causing sidewalk disruption.

The town's Corte Madera Beautification Committee will give homeowners free street trees to put in your median strip that do not

cause sidewalk disruption. http://www.cortemaderabeautification.org/What_We_Do.html

Sewer Laterals

Changes in the Town of Corte Madera's sewer lateral replacement program will require that homeowners performing a significant remodel to their home or selling their home must pressure test their sewer lateral. If it fails the test, it must be replaced, usually through the newer trenchless technique which involves digging in your yard next to the house and in the street where it connects to the main sewer line.

This work can cost up to \$15,000 so it would need to be incorporated into your remodeling plans. Mariner Cove resident Roy Wolford has done a deep dive into how other communities handle lateral line replacements and discovered that some communities will pay for the portion of the lateral line replacement beyond the property line (in the street). He has presented this information to our Town Council, but the argument has not been favorably received. Roy continues to work on this issue.

First Day of School

Wednesday August 21

Beautification (BIG)

On June 1st, Our neighborhood was invaded by hordes of Marinites looking for bargains at our annual MCNA neighborhood BIG Garage Sale. This year we had a record breaking 48 homes participating.

A big shout out to Kelly Lawson who headed up this event. Thanks Kelly!

MCNA Committee Reports

Mariner's Cove Social Committee

The Mariner Cove Neighborhood Association's Spring Egg Hunt was held on Saturday, April 20, 2019 at Cove Park. The children had a blast hunting for eggs and playing with friends at the park while their parents enjoyed chatting over coffee and pastries. The Easter Bunny made an appearance as well, which made for some great photo opportunities. Thank you for your MCNA membership which helps sponsor our wonderful neighborhood social events!

Our next MCNA social event will be our end of the summer BBQ at Cove Park on Saturday, August 17, 2019 (3:00-6:00).

MCNA will provide hot dogs, burgers, and all the fixings. Families are encouraged to bring a potluck dish to share. There will also be relay games and face painting for the children. Please be sure to RSVP on Next Door under the Events tab for Mariner Cove to help with the planning of food.

In order for the BBQ to be a success, I am looking for a few volunteers. Please email me (Karen) if you or your older children are able to help me with this event. I especially need a few volunteers to help with the prep/set up, the clean up crew, and the "fun team" to help with the relay games.

Although it seems so far off, the Halloween Parade and Pizza party will be here before we know it! Please be sure to mark your calendars for Thursday, October 31. We will be meeting once again on the corner of Seawolf and Spindrift at 4:45 for the parade into Cove Park for the pizza party. Please continue to check the Events tab for Mariner Cove on Next Door for the invitation to this event as we get closer

Upcoming MCNA Board Meeting
Wednesday, September 18 at 7:30pm
Location TBA

to October.

Hope you all are having a wonderful summer and see you at the MCNA Summer BBQ on Saturday, August 17!

Karen Ruppanner

MCNA Mothers' Group

On Thursday, February 28, 2019, the Mariner Cove Mothers' Group had its winter Moms' Night Out (MNO) at Perry's in Larkspur. It was great to catch up with everyone who made it out, despite the rain! **Our next MNO is scheduled for Wednesday, August 14 at 7:30 at Moseley's Sports and Spirits in Corte Madera.** Come meet us for drinks and/or dinner at the newest pub in town. Please be sure to RSVP on Next Door under the Events tab for Mariner Cove to help with numbers for our reservation.

Unfortunately, our winter Mothers' Group playdate at Skunk Hollow on March 9 was canceled, due to rain. **Please join us for our End of Summer playdate at Skunk Hollow Park on Tuesday, August 20 from 9:30-11:00.** Bring your littles, sand toys, and balls for a last hurrah before the first day of school. Coffee and snacks will be provided. Please RSVP on Next Door to help with the planning of refreshments.

MCNA Committee Reports

MCNA Mothers' Group Continued...

The MCNA Mothers' Group is hoping to find more mamas of young children to help in organizing playdates for families in the neighborhood. My kids are growing up and are in elementary school now, so I'm hoping to recruit some fabulous ladies with little ones to help plan more playdates during the week or weekends. You can email me at kruppanner@gmail.com if you are available to help take the lead on planning upcoming playdates. I'd love to see the Mothers' Group welcome new members and leaders in 2019! Cheers,

Karen Ruppanner, Christina Uriarte, and Bess Polce

(Co-Directors of the MCNA Mothers' Group)

Ladies Book Club

This past winter/spring, we read *Midst of Winter* by Isabel Allende which was enjoyed by all with a 4.0 rating by the group.

For our light summer romance we read *Crazy Little Things* by Tracy Brogan which we found to be perfectly light, humorous and enjoyable read.

Our favorite book, by a wide margin was *All Over but the Shoutin* by Rick Bragg. Everyone loved it, and some found it among their very favorite books for MCNA Book Club. If you are looking for a great book, this one is not to be missed.

The Mariner Cove Neighborhood Association is a voluntary association available to 450 homes.

Our mission statement is:

- 1. To build collective strength so that Mariner Cove's interests will be represented to the Town of Corte Madera and its governing bodies.*
- 2. To promote organized social activities and recreational programs for its members and their families.*
- 3. To communicate to residents of Mariner Cove the issues which may affect their quality of life.*
- 4. To ensure the overall maintenance and appearance of our shared areas.*
- 5. To assist residents of Mariner Cove in disaster preparedness.*

We would cease to exist without VOLUNTEERS and MEMBERS.

Please contact Jason Gullion at mcna.membership@gmail.com to learn more about MCNA.

MCNA 2019 ANNUAL MEMBERSHIP DRIVE

As 2019 gets underway, please join your neighbors in supporting the MCNA community. We live in an amazing place and we all make a difference in the quality of life in Mariner Cove. The MCNA Board invites you to join the Mariner Cove Neighborhood Association and help support the all the volunteers and programs that add so much to the community.

Your contribution helps fund the events and activities:

- A dedicated disaster-preparedness team that is the standard for other neighborhood in the area, your Neighborhood Response Group (NRG) of volunteers train regularly to be ready to lend assistance within the community in the event of a disaster
- Popular social events such as the Halloween Parade & Pizza Party, Easter Egg Hunt, Summer BBQ, Ladies Book Club, Warm Coat Drive, and more...
- Representation at Corte Madera Town Council to advocate for our community and ensure our voice is heard in Town decisions in allocating resources
- Representation at School District Meetings
- Community Yard Sale Event
- A Welcoming Team to help new neighbors - both owners and renters - feel welcome
- Beautification (BIG) projects such as upkeep of street signs and maintenance of shared areas
- Online presence on Nextdoor and the new MCNA Facebook group

2019 MCNA Dues are:

Household Membership: \$40
Senior (62+) Membership: \$20

Membership dues run from January 1st through December 31st and are due March 31st.
Dues can be paid by PayPal or by check.

PayPal:

Send payment to mcna.membership@gmail.com or use these shortcuts:

Household: [paypal.me/MCNA/40](https://www.paypal.me/MCNA/40)

Senior Household: [paypal.me/MCNA/20](https://www.paypal.me/MCNA/20)

Mail your check to:

Mariner Cove Neighborhood Association
PO Box 496
Corte Madera, CA 94976

We thank you for joining us. We are grateful for your ongoing support, so that we can continue the great work of enhancing our community. Please email me if you have any questions at mcna.membership@gmail.com.

Jason Gullion
